

TalentPredix™ Strengths Master Certification

FAQs

Q1: What is the TalentPredix™ Strengths Master Certification?

The Strengths Master Certification is an advanced designation that recognizes your completion of TalentPredix™ Practitioner Training and 3 Specialized Learning Streams. It signifies a high level of expertise in applying the TalentPredix strengths-based methodology.

Q2: What are the benefits of becoming a Strengths Master?

As a Strengths Master, you receive:

- Official recognition and licensed use of the Strengths Master badge
- Exclusive discounts on assessments, training, and products
- Access to a global network of certified strengths professionals
- Enhanced coaching and facilitation capabilities
- A strengths coaching playbook and strengths & values card deck

Q3: What training is required?

You must complete both:

1. The TalentPredix™ Practitioner Training
2. And three of the following learning streams:
 - **Strengths to Self-Mastery** – Help clients build focus, resilience, and success
 - **Thriving Careers** – Empower purposeful career navigation
 - **Advanced Strengths Coaching** – Become an expert strengths coach
 - **Leading Positive Change** – Drive leadership with purpose and impact

Q4: Can I complete the learning streams at my own pace?

Yes, you can complete the learning streams at your own pace, depending on availability. We recommend completing all within 12 months for maximum benefit.

Q5: How often will each learning stream be offered?

Each learning stream is scheduled to run **2–3 times per year**, depending on participant demand. We recommend registering early to secure your spot in your preferred sessions.

Q5: Will the learning streams be delivered virtually or in person?

We offer a mix of delivery formats, with most learning streams delivered **virtually** to accommodate participants across different locations.

The first **Advanced Strengths Coaching** stream will be held **in person** in **London** on **25th September**, from **9:00 AM** to **5:00 PM**.

Q6: Who is this certification ideal for?

It's ideal for coaches, consultants, L&D professionals, and HR leaders who want to deepen their impact and become experts in strengths-based coaching and development.

Q7: How do I get started?

If you've already completed the Practitioner Training, you can start enrolling in any of the learning streams. Book a call with us [here](#) or register [here](#).
