

Drive Growth with Strengths-Based Development

TalentPredix™ Corporate Plans – up to 50% savings on scalable annual packages

In an era of constant change, HR and L&D leaders are under pressure to deliver impact fast – to prove ROI, sustain engagement, and build the skills their organizations need to thrive.

TalentPredix™ Corporate Plans make that easier. Each plan gives you a ready-made, science-backed framework to scale strengths-based development across teams and leadership levels, without adding more to your plate.

You'll have everything you need to build a thriving, high-performing culture that lasts – assessments, workshops, 360 feedback, surveys and ROI tracking – all in one flexible, credible package.

Why TalentPredix™ Corporate Plans?

Empower People. Transform Performance. Inspire Growth.

TalentPredix™ Corporate Plans are designed for organizations that want to **go beyond one-off training or ad-hoc assessments** – helping you embed a strengths-based culture that drives **lasting performance and growth**. We help you **build a culture where people thrive and go above and beyond** – bringing their best every day because their strengths, motivations and values are truly **understood, celebrated and developed**.

"TalentPredix™ has helped us reframe performance by focusing on what people do best. It brings to light how talents, values and drivers work together to create engagement and exceptional results."

- Laura Forrest, Head of Talent & Development, Iceland

Our data-driven talent insights give HR and business leaders the clarity to nurture positive, inclusive leadership, build high-performing teams, and align individual strengths and underlying motivators with business goals.
