

# Social Pledge

Helping purpose-led organizations unlock the performance, potential and engagement of their people

Great organizations are built on people who know their strengths. TalentPredix™ is committed to making high-quality, strengths-based assessment and development accessible to every organization - not just those with the largest budgets. Our Social Pledge gives charities and non-profits meaningful access to our tools and training, so your people can perform, adapt, and thrive.

## WHAT ELIGIBLE ORGANIZATIONS RECEIVE

**50%** off all TalentPredix™ assessments

Standard Profiles, Team Profiles, and 360 feedback tools - all at 50% off for eligible charity and non-profit work.

**50%** off Practitioner Training Certification

Two 50%-off places on every TalentPredix™ Practitioner Training programme for HR, L&D, OD, and people leads in charities or non-profits.

## HOW TALENTPREDIX™ CAN SUPPORT CHARITY TEAMS

### Leadership Development

Build self-aware, high-performing leaders who bring out the best in the people around them.

### Team Effectiveness

Improve collaboration, trust, and collective performance across your teams.

### Career Development

Help people identify their strengths, find clarity, and grow with purpose.

### Manager Development

Equip managers with the insight to coach, motivate, and develop their people.

### Talent and People Decisions

Make smarter, more consistent decisions about your people - based on evidence.

### Coaching and Development

Deliver powerful coaching conversations grounded in what people do best.
