

Trailblazing beyond L&D and Talent Management — building employee experiences where talent thrives in the AI era.

Talent Trailblazers is for People and L&D leaders trailblazing beyond traditional L&D and Talent Management.

Previous Talent Trailblazers gatherings

WHY JOIN

01

Ideas that move the needle

Practical ways to attract, retain, develop and motivate talent, focused on business impact - not just activity.

02

Ahead of the curve

Get ahead of the trends reshaping the world of work and the AI era.

03

Peers at your level

Connect with leaders carrying comparable responsibility and navigating similar pressures.

04

Practical, not theoretical

Frameworks and curated discussion members can use straight away.

05

Build meaningful peer connections

Connect through practical live sessions and informal networking with people shaping what comes next for talent.

MEMBER BENEFITS

1

A free TalentPredix™ profile and coaching session

2

Stay ahead in the AI era with curated podcasts, white papers, blogs and practical resources

3

Personal career development recommendations

4

10% off TalentPredix™ training and profile purchases

JOIN PEERS SHAPING WHAT COMES NEXT

For Heads of L&D, People Directors, Talent leaders and senior peers who want to exchange practical ideas, stay ahead of change and build better employee experiences.
